"ZAMBIA! THE REAL AFRICA"

DEAR PRAYER PARTNERS

Jen and I would like to thank you for your faithful prayers as we wrap up our deputation travels. We really have been blessed with a profitable deputation. The Lord has proven himself faithful as we have remained faithful in our tithing and faith promise giving in our home church. It has been our desire to be an encouragement to churches in their faith promise giving and have often walked away greatly blessed instead.

We are happy to say that after 14 months of deputation we have 80% of our support. We are still planning on meeting all our commitments through September. However, we are in an advanced stage of field departure preparation. As we mentioned in our last prayer letter the total cost for moving to Africa is \$34,500. We have saved up \$15,000 to date. For many this would be sufficient to move. This cost should be no reason to limit our efforts in the pursuit of the fulfillment of the great commission.

So what are we asking? We are asking for more prayer for provision for this cost. We are asking for a special love offering if the Lord would have you help in offsetting this cost. As the Lord said, "Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again."

In February I had to rush Jennifer to the ER with severe abdominal pain. We would like to thank you for your prayers as she had a kidney stone. But what is deputation without a trip to the ER?

My wife has been a tremendous help and support to me and I certainly felt severely handicapped while she was recovering. Thank you again. We are honored to be your missionaries to Zambia and greatly covet your prayers.

Looking ahead Prayer Requests:

- Container. We are shipping our household and ministry supplies in June Lord willing. We have raised \$3000 of the \$14,000.
- Support. We need 8 to 10 more churches to get to 100% support.
- Transition. We need to secure a rental home and vehicle in Zambia.
- Family : Passports for three of our children and Travel immunization costs.

By God's Grace

Martin and Jennifer Chilando
