"ZAMBIA! THE REAL AFRICA"

DEAR PRAYER PARTNERS

Someone said, "Acting on God's will is like riding a bicycle: If you don't go on, you go off".

6 ½ months, 50,000 miles, One breakdown, four new tires and 60% support commitments. We praise the Lord for His goodness and watch over us.

We thank you greatly for keeping us in your prayers. It was evident that someone was praying when a deer crossed onto the Montana Interstate (80mph speed limit) and stopped in the middle of the two lanes. For some reason I slowed down as we came around the mountain side and sure enough there was a deer waiting to play chicken with a Ford Explorer. Not knowing what the deer would do, I said, "Lord I'm going Right". I was certain this deer would run the same direction but, it stood motionless as though its legs were glued to the highway. It was so close I could have crabbed its ears from the car window. I don't know if that deer saw an angel with a flaming sword, all I know is that, someone prayed and the Lord's hand moved. As the word says, **"The effectual fervent prayer of a righteous man availeth much"**.

Our summer has been busy and we thank the Lord for providing the meetings. We have had wonderful meetings in great churches. We thank you all for your hospitality and kindness to our children. Our young ones have been very good in our travels and continue to make new friends that they want to go back and see.

We are completely trusting in the Lord and we know that He will have us on the field at the appointed time. That time just seems to be coming faster than we anticipated. It is a good 'workout' of our faith because now the reality of life on the field is eminent. Not to mention - Travel cost, Moving Cost, Housing cost, Vehicle Cost, Ministry supplies.

We know the Lord has it already worked out , for - **"Faithful is he that calleth you, who also will do it"**. Brethren, pray for us.

By God's Grace
