"ZAMBIA! THE REAL AFRICA"

DEAR PRAYER PARTNERS

What a wonderful year of great blessings. Jen and I would like to thank your wonderful church family for your faithfulness to the cause of missions. We would like to thank the many who have made new commitments to give to missions so others can go where you cannot. We would like to encourage you in your giving and testify to you that the Lord has used your faithful giving to meet our needs on many occasions this past year.

We have been greatly encouraged by the support commitments we received from a great number of churches who also have sent support faithfully. Our desire is to be in Zambia this year if the Lord permits. We still believe in the God of the impossible and this is no big task for Him to have us on the field in eighteen months of deputation.

Our total cost for the move to Zambia is \$34,500. I have never seen this much money in my life, but we know we serve a God who created the heavens and the earth in six literal days, who parted the Red Sea so Hebrew slaves could escape tyranny, who used a little boys lunch to feed over five thousand people. He is the God we serve, He is the God we follow who tells us; *"If any man serve me, let him follow me; and where I am there shall also my servant be: if any man serve me, him will my Father honor."*

What then shall we say brethren? Should we limit our efforts in the great commission because the cost is too great? God forbid. *"For how shall they hear without a preacher. And how shall they preach except they be sent?"*

The need for Independent Baptist churches in all of Zambia is great, our burden for the people to hear the gospel is even greater. The fields are ripe unto harvest indeed, and a great revival is about to awaken in this nation. This brethren is fruit to your account and we are honored to be your missionaries. We covet your prayers.

By God's Grace
Martin and Jennifer Chilando
