### DEAR PRAYER PARTNERS,

Jen and I thank you once again for your continued prayers over the last two months of our deputation. The astounding results in our deputation efforts can be attributed to your petitions before the Lord. Nothing is impossible with Him.

### The Hail Storm

I really thought we were going to escape full deputation without an encounter with bad weather until last month. We were driving through Texas in dry conditions taking pictures of the eye in the cloud formation. We should have known better, that it was the calm before the storm. Suddenly golf ball size hail rained on our vehicle on open farm country road where there was no shelter for miles. It scared young Isaiah so much that he asked mommy, "Does this mean if we die we are going to go to Hell?" See, he thought it was a "HELL STORM". The children keep us entertained. We are thankful that all we had was several dents to the car and nothing major or life threatening. We rejoice in the Lord's promise, "...and lo I Am with you always, even unto the end of the world". Praise the Lord for His goodness.

### The Travels

We have travelled over 60,000 miles and been in over 100 churches. The Lord has shown himself faithful everyday as we have stayed faithful to Him. We have made many acquaintances around the country and have been greatly spoiled. We pray that your "Return On Investment" in the work in Zambia will be, "pressed down shaken together and running over". Thank you for being a blessing and for your faithful giving.

### The Move

Praise the Lord for His goodness. Our departure date is October 16th. Another praise is that we have secured a house and a vehicle in Zambia. Next is the Shipping Container and Us getting over there. We appreciate any gifts toward alleviating these costs. We encourage you to visit our website above in order to keep abreast with our progress.
